

Kindergarten Registration and Round-Up Information for School Year 2016-17

Starting school is an important time in a child's life. Since a child's school success is also important to us, **we encourage parents to register their children for Kindergarten during Kindergarten Round-Up.** This will allow the teachers, principals and school districts several opportunities to connect with you and your child before school begins and allow them the opportunity to plan for the upcoming school year.

Kindergarten Round-Up is intended for parents. Children will have a time to visit the school at a later date during a time that will be specifically for them. For specific questions about Kindergarten, parents are asked to call their home schools. To verify your home school, contact the BAS Transportation Department at (810) 299-3890 with your address. You can find more details on our website below including what to bring.

Hawkins Elementary	February 23	6:30 - 8:00 p.m. for all sessions

Please come prepared to enroll with your child's state issued birth certificate, current immunization record, vision screening after 3 years of age and 2 pieces for proof of residency (1 piece being your driver's license). To expedite the process, parents can preregister online and bring the printed pages to the event. The total packet is approximately 15 pages comprised of 2 sections. Computers with printers will be available on site for parent use. Bring your child with you to participate in a brief screening with our teachers and plan to visit our classrooms. Please call Laura at 517-223-6430 for further information.

The orientation will provide parents an opportunity to hear from kindergarten teachers about the "typical" school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child. You can find more details on our website below including what to bring.

*For the 2016-2017 school year, a child may be enrolled in kindergarten if the child is at least 5 years of age on or before September 1, 2016. If a child is not 5 years of age on or before September 1, but will be 5 not later than December 1, the parent or legal guardian of that child may enroll the child in kindergarten for that school year if the parent or legal guardian notifies the school district in writing. Parents are encouraged to discuss this possibility with the school district as soon as possible. A school district that receives this written notification may make a recommendation to the parent or legal guardian of a child described above, that the child is not ready to enroll in kindergarten due to the child's age or other factors. However, regardless of this recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten under this new revised school code.
